Sidmouth Children's Festival Programme

Welcome to the Sidmouth FolkWeek Children's Festival!

Here we go again! The Sidmouth FolkWeek's Children's Festival is packed full of wonderful things to do, dances to learn, music to play and songs to sing. There are some fabulous 'journeys' here giving young people of all ages opportunity to access workshops at their own level and to look forward to moving on as they get older each year. We have an amazing programme of evening family shows featuring stories, music, laughter and fun with some circus thrown in too. Not forgetting the wonderful Stomping Ceilidh, which was a highlight of last year's Children's Festival. By far the best way to enable children to access the full programme of events for children is to buy a Children's Festival Season Ticket. This gives priority access to all events in the Children's Programme (space permitting). Blackmore Gardens forms the focal point for families with three workshop marquees, superb performances from our Young Performers showcasing on the Garden Stage and all manner of walkabout and pop up entertainment. Spread a picnic blanket and soak up the atmosphere while children enjoy their very own programme of workshops and activities.

Ray and Bev Langton, Children's Festival Producers

A CHILD'S WEEK TICKET IS GREAT VALUE

A Child's Week Ticket provides priority admission to all children's workshops and family events and priced at £54.00 represents excellent value for money (only approx. £8.00 per day).
Child (6-11) tickets allow entry to all events as for adult tickets except Bulverton Late night events after 10.30 pm.

PROGRESSIVE WORKSHOPS

Some workshops are marked with *** and are progressive workshops leading to a performance. Priority to these workshops will be given to children who have attended previous sessions.

Dogs, apart from assistance dogs, are not permitted in festival venues, including venues within the Children's Festival.
